SAVE NEO NATAL CARE AT GLAN CLWYD

- Due to Labour's decision to cut the Welsh NHS budget by £500 million, health services in North Wales are being cut.
- These cuts include removing Neo Natal care facilities from all hospitals in North Wales. These services are vital for premature and severely ill babies. Instead patients from across North Wales will be sent to the Wirral. This means mothers and babies who require crucial, life saving care will now have to travel to England.
- Antoinette is completely opposed to this policy and has called on Neo Natal services to at least remain at Glan Clwyd Hospital so that the services are available to people throughout North Wales.
- Please sign the petition below (and urge your friends and families to sign up as well) and send the completed form to Antoinette Sandbach, 37 High Street, Denbigh, LL16 3HY.

Mystery Over Sale of Bird Sanctuary for £1

Antoinette is concerned at the level of secrecy surrounding the sale of the Llesty Bird Sanctuary in Holywell for £1 in July 2010.

Having obtained lists of North Wales properties sold by the Welsh Government Antoinette has asked "Why was the Llesty sale kept 'off the books? The Welsh Government has serious questions to answer over how this land was sold".

The sanctuary, originally part of the NHS estate in North Wales, was established as a haven for wildlife in the will of a local conservationist.

"Welsh Ministers don't have the right to do whatever they like with this land. It was a bequest from a local conservationist, who left specific instructions on how it was to be used in the future. There is a worrying lack of transparency and the local community deserve to know the truth."

Antoinette is continuing to investigate the matter.

NEW FLINTSHIRE YOUNG CARER ID CARD

Antoinette has lent her support to a new scheme which helps children and young people in Flintshire who are in care, care leavers or who care for others.

The A2A card, set up by Barnardo's Cymru and Flintshire Social Services, helps young people who sometimes find it difficult to explain their special circumstances in situations at school or college, and with council services & health care providers.

Antoinette said "I am delighted to be involved in the launch of the new A2A card with Barnardo's Cymru. This is an exemplary scheme to help young carers that deserves to be rolled out across Wales".

Casework Corner

Antoinette deals with a wide range of issues for constituents.

Recently this has included work on housing issues, advice for new businesses and supporting claims to the financial ombudsman, one of which resulted in a constituent recouping thousands of pounds.

If you would like us to assist you with an issue please contact us via the details below.

One constituent wrote to Antoinette and said:

"thank you and all your team for the constant support and commitment you have given to me"

Antoinette is always keen to help her constituents from across North Wales, regardless of their political persuasion.

Antoinette wants to hear from you

SAVE NEO NATAL AT GLAN CLWYD

The Welsh Labour Government want to downgrade neo natal care in North Wales. This will mean mothers and babies in desperate need of medical assistance will have to travel to the Wirral. This is unacceptable. North Wales already has some of the worse rates for infant mortality in the country.

These moves will only make things worse.

“We call on the Welsh Government to stop any changes to neo natal care at Glan Clwyd Hospital”:
